Speaking on
“Defending Your Faith:
An Introduction to
Biblical Apologetics”

In **1 Peter 3:15** we are told “*But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.*” The Greek word for “answer” is *apologia* from which we get the word “apologetics.”

One of the stated purposes of The Institute for Creation Science (ICS) in Portland, Oregon is to promote biblical apologetics to Christian believers. **Mr. J.D. Mitchell** is founder and Executive Director of ICS and writes and speaks on creation science and apologetics topics. The PowerPoint-supported talk he will give on December 12 is designed to help Christians be better prepared to defend their faith in a logical and reasonable manner. Topics covered in this introductory treatment are:

- The Nature of Truth
- Presuppositions and Worldviews
- Is Secularism Neutral?
- Biblical Christianity Presuppositions

J.D. Mitchell is a registered professional engineer in Oregon and Washington and has a Bachelor of Science in Mechanical Engineering from the University of Washington. He has also completed his Master of Biblical Studies in Biblical Creation Apologetics from Master's Graduate School of Divinity. J.D. is Executive Director of the **Institute for Creation Science** of Oregon, and speaks and writes regarding the creation versus evolution controversy as a part of his Creation Science research ministry (**Creation Engineering Concepts**).
