

## Evidence For The Existence of God

Mike Riddle is speaking  
at the AFSC meeting at  
Atonement Free Lutheran Church  
6905 172<sup>nd</sup> St. NE, Arlington  
Friday, July 24<sup>th</sup> at 7:00 PM

This talk answers the two strongest arguments Atheists use for not believing in a Creator God.

1. The Atheists apparent ability to explain all the data we observe without God.
2. The problem of evil.

In part 1 Mike examines the three possible arguments for the origin of the universe:

- The universe created itself.
- The universe has always existed.
- The universe was created.

In part 2 Mike answers some tough questions:

- How can we call God good when He allows evil to exist?
- How do you decide right from wrong (do moral absolutes exist)?
- Did God create evil?

The Apologetics Forum of Snohomish County (AFSC) was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. AFSC provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life.
