

## **Creation and Global Flood Evidence in the Northwest**

**[Dennis Bokovoy](#) is speaking  
at the [AFSC](#) meeting at  
Atonement Free Lutheran Church  
6905 172<sup>nd</sup> St. NE, Arlington  
Friday, June 26<sup>th</sup> at 7:00 PM**

The global Genesis Flood made catastrophic changes to the earth's surface features such as:

- Sedimentary layers miles deep deposited during the Flood
- River systems world-wide carved by Flood water runoff during continental uplift
- Petrified trees in lava-push mounds with pillow lava in lava flows
- Leaf and marine fossils laid down during the Flood.

The Ice Age caused by the Genesis Flood reached its peak 500 years after the Flood.

The following [geological formations in the Northwest](#) provide evidence of the Flood:

- Cascade Mountain Ring of Fire Volcanoes
- Columbia River Basalt
- Grand Coulee and Channeled Scablands
- John Day National Monument
- Beverly and Moolack Beaches.

Dennis will also talk about Mount St. Helens and Yellowstone National Park and what they tell us about recent catastrophic events such as volcanoes and floods.

[Dennis Bokovoy](#) is a Creation scientist, Christian educator, speaker, and author. He earned a M.S. in Geology at Montana State Univ. In his 27 years of teaching in public schools and 3 years in a Christian school, he taught both the Scientific Creation and the Evolutionary viewpoints. Dennis is co-author of five Books on National Parks and Monuments. In 2008 he co-founded [Creation Encounter](#) with John Hergenrather to lead creation geology trips and tours. His field trips featured observable evidence for Creation and the Flood.

Refreshments plus books and DVD's available at the resource tables afterwards.

[AFSC](#) was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) [Creation vs. Evolution](#), 2) [Christian Apologetics](#) and 3) [Biblical Worldview](#). [AFSC](#) provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on [AFSC](#) can be found at <http://ApologeticsForum.org>.
