

Dinosaurs and the Most-Asked Questions

[Dr. Tas Walker](#) is speaking at
the AFSC meeting at
Atonement Free Lutheran Church
6905 172nd St. NE, Arlington, WA
Friday September 18th at 7:00 PM

Why should Christians be interested in dinosaurs? Because kids love dinosaurs, and they wonder from a young age how they fit into the Bible. Also, many people imagine dinosaurs prove the Bible is wrong. In this fascinating presentation you will discover how we know about dinosaurs, when they lived, and what happened to them. You will see how the Bible explains dinosaurs. And in the process you will see how the Bible deals with other big questions about life, the universe and everything. For some, this presentation has answered questions that have been troubling them for years.

Dr. Tas Walker holds a B.Sc. (Earth Science with first class honors), a B.Eng. (honors) and a doctorate in mechanical engineering, all from the University of Queensland. He has been involved in the planning, design and operation of power stations for over 20 years with the electricity industry in Queensland, Australia. Tas works full-time for [Creation Ministries International \(CMI\)](#) in Brisbane, where he is employed as a researcher, writer and speaker. He has authored many articles in both [Creation magazine](#) and the [Journal of Creation](#) (formerly TJ). Tas has also set up an [internet site](#) about geology and the Bible. A biblical framework of geology leads to a new appreciation of the environments and processes of different geological phases. The site describes the basis of this model and a practical application to the Great Artesian Basin of Australia.

Refreshments plus books and DVD's available at the resource tables afterwards.

Helping Equip Believers in The Defense of The Faith

AFSC was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. **AFSC** provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on **AFSC** can be found at <http://ApologeticsForum.org>.
