

The Bible vs. The Quran

Shahram Hadian speaking at the AFSC meeting

at Atonement Free Lutheran Church

6905 172nd St NE, Arlington, WA

Friday September 23rd at 7:00 PM

This lecture briefly covers the Bible in its authenticity, multiple witnesses being given the revelation, and manuscript evidence. The majority of the time is spent exposing the lack

of authenticity in the Quran, including no other eye witnesses to the revelation given to Muhammad, and no original manuscript evidence. Also, we go through internal contradictions in the Quran, external contradictions to history and science, abrogation, and contradictions to Biblical stories.

Shahram Hadian

speaks around the nation with a heart to awaken America, and *especially the church*.

As a Christian pastor and former Muslim, he is deeply grieved over Christian pastors and missional leaders promoting the false gospel of **Chrislam** in their effort to be culturally sensitive to Muslims.

Shahram was born in Iran and came to America with his family at the age of 7 to escape an oppressive Islamic regime. He is a proud US citizen. He experienced a transformational life change when he committed his life to Jesus Christ in 1999. He has served his local community as a pastor, police officer, teacher and coach and was a candidate for WA State Governor in 2012.

In the past several years, he has spoken to various groups around North America, including legislators, law enforcement, civic groups, churches, and concerned citizens.

Refreshments plus Books, DVDs and Pamphlets at the resource tables afterwards.

The **Apologetics Forum of Snohomish County (AFSC)** was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. **AFSC** provides a local Forum for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on **AFSC** at ApologeticsForum.org.
