

Battle for the Next Generation

Mike Riddle speaking
at the AFSC meeting at
Atonement Free Lutheran Church
6905 172nd St. NE, Arlington, WA
Friday March 18th at 7:00 PM

Why do so many Christian youth lack confidence in the Bible? The answer: the world has out-smarted the church and is out-educating the church. The world is providing answers to questions students have about life and origins. Is there a solution? Yes! God has given us the instructions for how to equip our youth to stand firm. The church has ignored these instructions. Mike Riddle discusses the following:

A. Three truths from God's Word.

- The Bible teaches that God is the Creator of all things.
- The Bible teaches that God determines what is right.
- The Bible teaches we should train our children according to God's ways.

B. The heart of the matter: **The battle for the next generation**

- The state of Christian education
- Knowledge and **Hosea 4:6**
- The hard facts
- The plan of action (**2 Tim. 2:2**)
- **Isaiah 6:8** (Lord, send me)

- Development and delivery of courses on presentation skills and teaching methods.
- Mike currently lectures and teaches world-wide on creation apologetics, Christian education, science and the Bible, and developing a biblical worldview.

Refreshments plus books and DVD's available at the resource tables afterwards.

The **Apologetics Forum of Snohomish County** (**AFSC**) was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. **AFSC** provides a local Forum in the North Snohomish County area for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on **AFSC** at **ApologeticsForum.org**.
