Pat Roy worked at the **Institute for Creation Research (ICR)** for over 12 years. He and his team conducted hundreds of interviews with leading creation scientists. It was his job to understand the scientific research and to present it to lay-audiences. Pat and his wife, Sandy, also created the **Jonathan Park Audio Adventures**. Now they have created a new creation-based family audio series called **Time Chroniclers**. Pat has given hundreds of presentations and hands-on workshops. He serves on the board of the **International Association for Creation** and is Director of **Genesis Apologetics**. He and his wife wrote the scripts, and directed the video production of the new **Debunking Evolution** series.

The **Apologetics Forum of Snohomish County (AFSC)** helps equip Christians in the defense of **The Faith** (1 Pet. 3:15; Jude 3) in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics, and 3) Biblical Worldview.
