"Islam & God's Judgment in the Last Days"

Sunday, September 25th, 2016

9:15am Sunday School & 10:30am Service

Summit Park Baptist Church

12700 Thompson Rd. Anacortes, WA 98221

**Christian Pastor and former Muslim Shahram Hadian will share his new presentation:
"Islam & God's Judgment in the Last Days."**

We are seeing Islam take over Europe, and now we are witnessing the unthinkable here in America! Our government, our media, many of our elected officials, and our education system are surrendering to Islam.

But perhaps the most shocking development is the tragic reality of certain Christian leaders and church groups surrendering to Islam! They are blindly promoting the interfaith ecumenical heresy and advocating the invasion of America at the hands of thousands of Muslim refugees, despite well documented risks.

The question is "Why?"

Why are so many people deceived by Islam and its true agenda?
Why is there such blatant spiritual deception?
Could this be a part of God's judgment?

Come and discover how the Bible addresses Islam and its rise in the last days!

In this presentation, Shahram will expose Islam as an anti-Christ spirit that is deeply anti-Semitic, and in denial of every major tenet of Christianity. He will also detail Bible prophecy and how it identifies Islam and Islamic nations in the last days. Finally, Shahram will uncover Islam's end times eschatology, which should be very shocking!

9:15am Sunday School: Shahram will share his testimony of how he became a Christian, and an abbreviated version of the very timely presentation, **"Chrislam Exposed— The Seductive Lie of a Common God Between Christianity & Islam."**

Shahram Hadian travels around the U.S. speaking the "Truth in Love" about critical issues facing our nation. A Christian pastor and former Muslim, he was born in Iran and came to America at the age of 7 to escape an oppressive Islamic regime. He is a proud US citizen. He committed his life to Jesus Christ in 1999. Shahram has served his community as a pastor, police officer, teacher and coach and was a candidate for WA State Governor in 2012. Shahram speaks to various groups around North America, including legislators, law enforcement, civic groups, churches, and concerned citizens.
