THE UNIQUENESS OF CHRISTIANITY

The founders of world's religions  
say, "Do! Do! Do!"  
but Christ says, "Done!  
It is finished!"

**Description:** Jason Carlson has traveled in over 30 countries on six continents studying and lecturing on the religions of the world. In this powerful message Jason will address the crucial differences found in biblical Christianity that markedly distinguish it from every other religion and philosophy. This message is filled with powerful stories and illustrations from Jason's travels that highlight the fact that there is something very unique and special about Jesus Christ. Jason has seen hundreds of people come to the Lord in response to this talk. Consider inviting a friend!

**Speaker:** Rev. Jason Carlson is the President of Christian Ministries International (C.M.I.), an organization devoted to evangelism and equipping Christians to share their faith with those in cults, world religions, and false philosophies. Jason assumed the leadership of C.M.I. with the passing of his father, Dr. Ron Carlson, in June 2011.

Jason's ministry outreach has taken him to 30 countries teaching in churches, pastor's conferences, schools, universities, and seminaries. Jason is a gifted communicator with a keen intellect. He clearly and lovingly communicates the Biblical Christian worldview in response to contemporary cultural challenges facing the church, the various world religions, and false philosophies such as Darwinian Naturalism and Postmodernism.

Jason has appeared on numerous national radio programs, including "Today's Issues" with Tim Wildmon of The American Family Association and "Worldview Weekend Radio" with Brannon Howse. In addition to his ministry with C.M.I., Jason has served as an Associate Pastor for Lakes Free Church in Lindstrom,

MN since 2009 and as an adjunct instructor on cults and world religions for Bethel Theological Seminary and Northwestern College, both in St. Paul, MN.

Christian Ministries International website can be found at [www.jude3.com](http://www.jude3.com). For over 40 years C.M.I. has been equipping the Church to contend for the faith (Jude 3). Their heart is for evangelism and sharing the hope of Jesus Christ with those caught up in false cults, religions and philosophies.

**APOLOGETICS**  **FORUM** snohomish county  
*Helping Equip Believers in The Defense of The Faith*

The Apologetics Forum of Snohomish County (AFSC) helps equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. AFSC provides a local Forum for lectures and DVD programs by knowledgeable presenters on these topics. All presentations are given with the presupposition that the Bible is God's inspired Word and is accurate and inerrant in its original autographs. The Bible is a total worldview that speaks to all disciplines and areas of our life. More on AFSC at [ApologeticsForum.org](http://ApologeticsForum.org).
