"Have you commanded the morning since your days began, and caused the dawn to know its place?" - Job 38:9

Description: [Rick Deighton](#) presents an overview of the book of **Job**, which zooms in on God's questions to **Job** in **Chapters 37-41** with special emphasis on God's descriptions of **behemoth** and **leviathan**. From these chapters we can come to a clear understanding of the purpose for this oldest book in our Bible. Why did God allow Job to suffer so greatly? God never gave Job a direct answer to that question – but He did give Job powerful object lessons so he saw the answer and fell on his face before our Awesome God.

Speaker: [Rick Deighton](#) is a graduate of Boise Bible College, Boise, Idaho, and did post-graduate study at Ozark Christian College in Joplin, Missouri. His studies included mission strategy, expository and evangelistic preaching, personal evangelism, philosophy, and writing techniques. Rick's articles, tracts, and booklets have been published in English, German, Korean, and Russian. He has four published books:

- Ready to Give an Answer
- Is the Bible Without Any Errors
- Millions of Miracles – The Evolutionist's Dilemma
- More Than Conquerors in Cultural Clashes.
