Dr. Phil Fernandes
Atonement Free Lutheran Church
6905 172nd St NE, Arlington, WA
Friday May 18 at 7:00 PM

Description: In [The Death of Truth](#), [Dr. Fernandes](#) explains how many of the so-called thinkers of Western Civilization abandoned the belief in the existence of the Christian God. This has led to the abandonment of truth and morality as well. [Dr. Fernandes](#) shows how the rejection of God in the West has led to: Darwinian evolution, the rejection of absolute truth, moral relativism, post-modernism, the increase in immorality, political correctness, and the diminishing in the value of human life.

Speaker: [Dr. Phil Fernandes](#) is the senior pastor of **Trinity Bible Fellowship** and the president of the **Institute of Biblical Defense**. Fernandes founded the Institute of Biblical Defense in 1990 to help train Christians in their defense of the faith. He also teaches Bible, philosophy, and world religions at Crosspoint Academy and the Gateway School of Ministry in Bremerton, WA. He has completed doctoral work in both philosophy of religion (Greenwich University) and theological studies (Columbia Evangelical Seminary). He has authored several books dealing with the defense of the Christian faith. Many lectures/debates/sermons are available on [his website](#).

The **Apologetics Forum of Snohomish County (AFSC)** was founded to help equip Christians in the defense of The Faith in the postmodern world in three related areas: 1) Creation vs. Evolution, 2) Christian Apologetics and 3) Biblical Worldview. **AFSC** provides a local Forum for lectures and DVD programs by knowledgeable presenters on these topics.
