Testimonies from the class of 2019

“The three teachers were outstanding. They equipped me with the knowledge to speak about creation and evolution in an intelligent, compelling, and respectful way.” – Craig F.

“As a middle school science teacher, this course provided an invaluable resource for me to effectively teach about the origin of the universe, life, and morality.” – Elissa F.

“The Creation Apologetics Teachers Course has completely equipped me to share confidently and to articulate what I believe and why, as well as being able to ask good questions to those with opposing viewpoints.” – Holly C.
